ADVENTURE

We're offering you an opportunity to learn about God's intentions and actions in the world through "Perspectives On the World Christian Movement". Perspectives is a dynamic, internationally respected 15 week study program developed by the U.S. Center for World Mission. It has been offered worldwide, with over 70,000 graduates!

Perspectives provides a single, comprehensive source of information on the unfinished task of world evangelization. You cannot find this information in a newspaper, library, Sunday school class, or even on many Christian College campuses. Each week a different speaker will enlighten you, and you will be motivated to examine your perspective in several ways:

MULTIPLE PERSPECTIVES

Biblical Perspective - Understand the Bible as one book with one major theme with practical implications for your life.

Historical Perspective - Discover how God has been working through history to accomplish His ultimate purpose.

Cultural Perspective - Learn how to recognize and overcome barriers to cross cultural communication. Learn how to serve effectively and pray insightfully for all people.

Strategic Perspective - Discover how God is achieving His plan for world evangelization. See how your gifts and resources can be strategically used within God's plan.

"...I heartily endorse this effort."

-Bill Bright, Campus Crusade

"If I had my way, every believer would take this course."

-Dr. C. Peter Wagner

"Take Perspectives! It will ruin you for the ordinary!"

-Floyd McClung, YWAM
