"...I heartily endorse this effort."
Late Founder of Campus Crusade, Dr. Bill Bright

"If I had my way, every believer would take this course."
Dr. C. Peter Wagner

Take Perspectives! It will ruin you for the ordinary!"
Floyd McClung, YWAM

"I'm enthusiastic about Perspectives..."
John Piper, Pastor and best-selling author

Perspectives calls every Christian to become engaged in the greatest enterprise of all.
Dr. Luis Bush, Director, World Inquiry

The whole world will be reached with the gospel when the whole church gets involved. Perspectives is one of the keys that God is using everywhere in the Great Commission.
Loren Cunningham, Founder, Youth With A Mission (YWAM)

Without a doubt, nothing has had more profound effect in missions in the last 25 years than the Perspectives course. Participants learn so much, from the way they view the Bible to the way they view the world. It's a life-changer. If I was in charge, every single person who goes on a mission trip of any length would take the Perspectives Course prior to going.
Doug Priest, President, Christian Missionary Fellowship, Indianapolis, IN

GOD IS ON THE MOVE

"God has been moving among the nations to reveal Himself as the one true God and to reconcile all peoples to Himself through Jesus Christ. Throughout history God has used His people to help accomplish His purposes. We are His chosen tools to communicate His salvation so that every nation, tribe, people and language may bring Him the worship due Him (Rev. 7:9). God is asking us to be ambassadors and strategic participants in this cause."

DISCOVER THE COURSE HE HAS CHARTED

Since 1974, Perspectives has been in colleges and churches of almost every denomination in over 2,000 locations with over 85,000 alumni. Annually in the U.S. alone there are over 200 classes and 7,000 students.

Perspectives provides a single, comprehensive source of information on the unfinished task of world evangelization. This information cannot be found in a newspaper, library, Bible study or even on most Christian college campuses. Each week, a different instructor will enrich, enlighten and inspire you as he or she presents the lesson.
